Ok. Thx. FYI, my supervisor is recommending that the Regional Administrator's office be made aware of the change of position of MKC and WDNR in the Madison Kipp matter.

I don't think he feels Bob need necessarily be briefed on the matter, just that the 19th floor be made aware of the situation via some sort of LCD case summary, WAR or other document. Please pass this recommendation on to your management. Also, if you could get me a draft of the letter to MKC and WDNR by COB next Monday, I can try to look at it and edit it before I leave on the 26th. Thx.
